Venue St Michaels Church Perry St Northampton.

The Phase 1 Starters will give you all the basic knowledge to start you on this wonderful musical journey. Phase 1 lasts for 11 consecutive weeks, as the whole group learns together you are encouraged to attend every session in the first 11 weeks. In that time you will learn the basic technique of your instrument and start learning to read music. In most ways you will be almost grade 1 standard. Phase 1 will only cost £50 and includes your first tutor book. {It costs only £4 for each 2 hour class.} After week 2 you will need your own music stand. Phase 1, 2 and 3 Starters will give you knowledge up to about grade 2 standard and will be completed by July 2010, if you maintain your practice and attend the classes regularly. Phase 2 will run from January to April. Phase 3 will run from May to July. During Phase 3 you will be integrated into NOW's vibrant Community Band (Thursday evenings). Parents are encouraged to learn alongside their children. Anyone in the community (any age) can learn a wind band instrument but as the classes move on quite quickly and are 2 hours long it is better from age 9 upwards. (If there is any impairment please speak to us for advice on suitable instruments.)
